THE STEP-MOTHER WAS ANGRY
Because the Police Dared to Arrest Mamie Desuzey Last Evening.

Mamie Desuzey, alias Reno, alias Keno, a girl who, it is claimed, is only 16 years of age,

was taken out of Mattie Meyers' disreputable house on Pine street by the police last night. The mother of the Meyers' woman was on charge of keeping a disreputable house. To-day the step-mother of the woman was called at the four Courts and seemed much exercised over the arrest. She said her step-daughter had been arrested for keeping a disreputable house with her husband. The mother said she did not know why the police should take the Meyers' woman out of her own house, which, she said, was a respectable one. The mother said she was told the girl was arrested. The raid was made on information furnished by a woman who had been brought to the place to employ a girl and then discovered its character and reported the matter to the police. The woman who was arrested for keeping a disreputable house was under age, having admitted to being only 17 years of age. The woman who was taken there by her husband and supposed the house was all right. The woman who was taken there by her husband to the police several times by the family of Mr. Meyers, who is a well known musician, an orchestra, who owns and occupies the adjoining house, No. 122 Pine street. The woman who was taken there by her husband and supposed the house was all right.

the place, and have endeavored to have the inmates moved, but neither the police nor the real estate agent Booth, Barada & Co. would order the woman to leave. There are disreputable houses in the block which Mr. Olney intends to have removed if he can, as he does not care to have such people residing near his family.

Wm. Whedley, alias J. Weisman, charged with burglary and larceny, waived examination in the Court of Criminal Correction today and was held for the Grand Jury in \$5,000 bond. He is accused of breaking into Henry Oesterle's store and stealing \$25 worth of cloth.

Philip Stabile was convicted of stealing a lot of wheat sacks valued at \$1 from Stephan & Petroski and was sentenced to thirty days in the Work-house.

John Tobin received a similar sentence for stealing 40 cents from Ann O'Fallon.

Edward was sentenced to life in each case. Thomas Mulligan and Jim Brady examined for breaking into Emma Milne's house and stealing 2000 worth of dresses.

Jasper C. Winn, examined on a charge of fraud and larceny, was tried for assault and battery, were discharged.

Nolle prosequi were entered in the cases of Thomas Hannon and Harry Wright, charged with burglary and larceny; Brook Steinhilber, charged with larceny; and Thomas, fraud, and Adolph Farenholtz, embezzlement.

Theodore Becker was examined for assault.

In the case of John Hoban and John Wiseman, alias William Wedley, a nolle prosequi was entered as to the latter, and Hoban was sentenced to a year in the Work-house and to pay a fine of \$100. Stealing \$10 worth of shoes from August George was the charge. Wiseman was held for the Grand jury in a grand larceny case; hence the nolle prosequi in this case.

A BRUTAL MURDER.

TROY, N. Y., March 6.—Catherine Taylor, a widow, about 40 years of age, was brutally murdered in her bed at her home, No. 550 Third avenue, West Troy, about 9:30 o'clock last night. She was struck on the head by an axe, a terrible wound being inflicted. One of the fingers of the left hand was cut off as if she had tried to stop the blow. The assassin is unknown. A son, Will-

lam, 35 years of age, is under police surveillance. The weapon has not been found. An axe is missing from the cellar of the house and it is believed that it was taken for the purpose of committing the crime. The woman lingered until about 12:30 o'clock this morning when she expired. She was unable to speak, although she apparently made an effort to do so.

A VERRY MASKER.

How He Wound Up His Tour in a Very Wet

Gutter.

Charles B. Lewis was before Judge Cady this morning on a charge of disturbing the peace. Last night he blackened his face and went out on a Mardi Gras excursion to have some fun. He entered a saloon on Seventh and Walnut streets and pushed himself through between the proprietor and his wife. The saloon-keeper knocked him down and kicked him out into the street, where the merry masker lay until

gathered up by the police and taken to the station, where he was locked up. This morning in court he explained he only walked into the saloon, and between a man and wife as a joke and he was discharged, having already received a severe lesson in practical joking.

LOCKED UP FOR PERJURY.

A Witness Who Attempted to Testify in Judge Noonan's Court.

Judge Noonan to-day ordered a witness in

his court held for perjury. Bud Jackson, colored, was examined on a charge of stealing 1,500 cigars, valued at \$45, from Samuel Fields. The principal witness for the State was a negro named Thornton Billups who had told the police that he purchased some of the stolen cigars from Jackson. One of the stand-to-day he was asked to claim he had the cigars from a white man and that Fields had admitted to him that he traded some cigars with a negro. Judge Noonan had to discharge Jackson in the face of this evidence, but he ordered Bill

His confession also implicates many respectable citizens of Columbia in the "White Cap" robberies as prevalent recently in the region about Columbia. Spears' pal who escaped was named F. Bones. Detectives are working on the case, and it is expected that a big gang of car-breakers, burglars and highwaymen will be unearthed.

MR. SARGENT EXPLAINS.

THE GULF RAIL AND THE INTERSTATE RAILWAY ASSOCIATION.

Election of the Texas & Pacific Directors.—Missouri Pacific interests carry the day. The directors of the Texas & Pacific Railroad have been elected. The Kansas City, Fort Scott & Gulf will not stand in the way of the successful operation of the association, nor will it cause any trouble to its harmonious action. There are two plans now before the association, one for the reorganization of the three traffic associations and the other for consolidating them under separate freight and passenger arrangements. Of these Mr. Sargent prefers the first.

The Fight Against Commissioners.—By telegram to the Post-Dispatch. New York, March 6.—The reports reiterated from the West regarding the payment of heavy commissions on west-bound immigrant traffic excite amusement in railroad circles here. The reports arise from the fact that the lines embraced in the Trunk Line Emigrant Clearing House and the trunk lines outside of it, which are now co-operating with its rules have undertaken to meet the competition of the Central Pacific and similar routes on emigrant traffic to the Pacific Coast. The commission paid is \$10 to San Francisco and \$15 to other points. It is said to be in violation of the understanding among the lines that the commission should be \$5. It is stated here that this commission is not used in any way to affect rates to intermediate points. To-day a general conference of Eastern and Western managers is to be held at Commissioner Pink's office to provide means for preventing a spread of the illegal methods of paying commissions on general passenger travel which some of the roads in the Central Pacific Association have lately adopted.

The Trunk Line Meeting.—By telegram to the Post-Dispatch. New York, March 6.—A meeting of the Joint Executive Committee of the Trunk Line Railroad Association was held this afternoon at the office of Commissioner Pink. The meeting was called for the purpose of considering the alleged violation in some cases, of the agreement entered into by the trunk lines regarding the paying and receiving of commissions for passenger fares. In his letter calling the meeting Mr. Pink requested the managers of Western roads to be present, as well as to provide means for preventing a spread of the illegal methods of paying commissions on general passenger travel which some of the roads in the Central Pacific Association have lately adopted.

Texan & Pacific Election.—By telegram to the Post-Dispatch. New York, March 6.—At the annual meeting of the Texas & Pacific Railroad held at No. 16 Broadway to-day, the following Directors were elected for the ensuing year: Jay Gould, Samuel Sloan, John T. Terry, Henry C. Macquard, Samuel H. Jones, George W. Brown, Thomas J. Eckert, Russell Sage, C. M. Ghee, C. A. Satterlee and A. L. Hopkins. All of New York; Isaac J. Wainwright, George H. Smith, of Philadelphia; E. B. Wheeler, of New Orleans; M. H. Smith, of Louisville; E. W. Clarke, of St. Louis and John G. Brown, of Texas. It is remarked to the directors, Receiver John G. Brown said the greatest menace to the prosperity of the company was anti-unionistic State legislation in Texas. He was in a position to state, he said, that the danger from this source was more than doubled. He said it was so threatening now that it had become a matter of life and death to the company. THE EAST SIDE.

East St. Louis News Notes and Happenings in Belleville To-day.

James W. Whitebread and Edward Barnhart, 18 and 14 years old, were captured by the St. Louis police last evening. They had run away from their homes in Edwardsville, Ill., for the purpose of going out to make a fortune on the "gold" market. They had in their possession when captured a number of school books, a bag of cartridges, about \$5 in change and some jewelry. Their parents were immediately notified and their capture and the two runaways were taken back to Edwardsville this morning by Joseph Boeschman, the mayor of that city.

Quite an exciting scene occurred in East St. Louis last evening near the market place, not far from the Selby depot. Michael Angelo Sullivan, the editor of the *Weekly Star*, was passing quietly along when his surprise was aroused by a man who came up to him and asked him to sign a certain article in his paper last week which reflected on the Aldermen's integrity. The man engaged in a violent dispute, and it is said that Marsh drew a revolver and declared that he would shoot Sullivan.
